Annual Report 2022-23

(From June 2022 to April 2023)

Sports are the best means of communication between people from different religions, countries and languages. It teaches us to play by the rules, fraternity, the spirit of integrity, acceptance and helps to build good character. Academic learning and sports complement each other. They resemble the two sides of the same coin. Therefore, since the starting of the academic year 2022-23, we create awareness among the students about various competitions and available facilities in campus and deputed them at different level competitions. According to the sports calendar 2022-23 of University of Mumbai for Sr. College and Mumbai Division Board for Jr. College, Students from the college participated in various sports & games as individual and teams, the college also sent the students for the selection of plyers at university level games.
