B] LIBRARY SERVICES & FACILITIES:

Library Membership:

Students, Staff Members, Research Scholars of our college are eligible to use Central Library with Prior Membership. For the library facility reader should be member of the library. We issue at a time three books to each student i.e. One Reference or General book for 15 days & Two Text books for 7 days & Faculty members may issue 3-5 books at a time for 30 days.

Research Reference Section:

'As we say We Search, You Research', An the Ground Floor of Library Research Reference Section is available for the users with Dictionaries, Encyclopedias, Handbooks, News Papers, Journals, Periodicals & Bound Volumes of the Journals.

Library User Tracking System:

Libraries measured their success primarily by footfall. For this User Tracking System installed at ground floor & OALS section of the Library.

News Paper Clippings:

By various subject appendices useful clippings from different newspapers are maintained in files for the students.

Book Bank Facility:

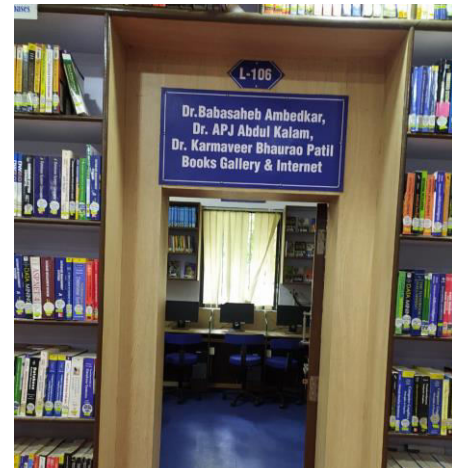

Library provides Book Bank facility to the needy students. A set of text books are given to the students of the Junior, Senior & P. G. Section of the college per their demand by paying 1/3 of the set amount. For this facility students have to take book bank form from the library & submit it with the Xerox copy of ID card & current year admission Fee Receipt. A set of books are given free of cost to the special students.

BC Book Bank Scheme:

University of Mumbai provides this scheme for economically backward students (BC) & who belongs to SC/ST/NT/VJNT category. There is a free set of books to FY/SY/TY-B.A. /B.Com/B.Sc. Student's. For this facility Students have to submit Caste Certificate, Income Certificate, Current year Admission Fees Receipt, ID Card Xerox with BC Book-Bank form.

Internet Facility:

A large number of resources are available on the web and students are provided with five computers for internet facilities to access the e-resources, for study & project work. The broad-band internet facility is available in the library for students and faculty. It is free of charge for faculty and students. EBSCO data base is made available at free of charge from Y.C.M.O.U. This Internet Section with gallery of the Karmaveer Bhaurao Patil, Dr. Babasaheb Ambedkar, and Dr. A. P. J. Abdul Kalam Books has been created for the users.

Database: i) INFLIBNET N-LIST (e-Resources)

e-Books- 1,95,809+
e-Journals- 6,293+

ii) DELNET (e-Resources)

Books Available for Loan- 2,90,00,000+
Full Text e-Journals- 5000+
List of Journals- 40,000+
Thesis/ Dissertations- 1,00,000+

Study Room:

Study Room Facility is available to the students and the faculty members during the library hours.

Open Access:

Open Access facility to staff members, PG and meritorious students is available for effective use of library resources.

Journals:

Current issues of journals and periodicals are in the “Research Reference and Periodical Section” and are made available to students and faculty members. Back issues of journals and periodicals are issued for home-lending for a week.

Reprography:

Reprography facility is available to all students and staff members at Charges.

Current Awareness Services – (CAS):

Every month we issue a list of new arrivals and also issue Xerox copy of content page of research journals to respective department. This list of new arrival is also displayed on the notice board for information of students. New arrivals (books) are displayed in Display Stand for seven days.

Selective Dissemination of Information (SDI):

The SDI Service is given daily to faculty and student by supplying update current affairs, News paper clipping, latest books, etc.

Reference Service:

The reference books are made available to the readers during library hours for consultation. The personal assistance as guidance and help is provided, if required to the new readers to make use of the reference book.

Inter Library Loan Facility-

The library can borrow the books from other libraries or issues the books to other libraries on **Inter Library Loan Basis** for a limited period of time. Our library can borrow or issue the books to the following libraries.

British Council Library, Mumbai

ICL College, Vashi,

Tata Institute of Social Sciences Library, Deonar.

RF Naik College, Koparkhairane

DY Patil Medical College Library, Nerul.

User Orientation

Orientation to the fresh students for effective use of library and awareness about the services are given in the month of June/July of each year.

Library Facility to Outside readers:

To ensure optimum use of the library collection and to generate additional financial resources, library has started "Library Deposit Scheme" to provide an opportunity to off campus users to avail the facilities of library resources.

Library Computerization:

Our College library is fully computerized Bar-coded. More than one thousand books are available in digital format. The Library uses MKCL's Libreria: Library Management System software developed by MKCL, Pune for library automation. OPAC is provided for searching of documents. The library is having seven terminals for daily routine work and five terminals for internet access. Researchers of library and information science take the benefit of EBSCO database. The work of bar-coding is also completed, which helps for effective and speedy transaction of books.

Best Reader Award in a year:

To inspire and inculcate the reading habits in the mind of students this award is given on Prize Distribution Day yearly. **'The Best Reader of the Year'** award will be given to the student who takes & reads general books & also kept the record of general books reading along with the text books from the library. Total four awards will be given, one from boys and one from girls in the junior as well as Senior Section of the college.

Readers Club Facility for Students & Faculty Members

Students Feedback /Suggestion:

To cope up with needs of users, there is a provision of suggestion box and yearly separate library feedback system, library attends these procedures and makes improvements in functioning

Book Drop/ Return system:

To return books and to save time In pick hours, and when the library is closed, students use this facility.

KBP वाचू आनंदे Telegram Group :

In current pandemic era this Telegram group has been created for the students & the faculty members. PDF Books are shared twice a month in this group so that readers can continue their Reading Habit & enhance their knowledge.

OPEN EDUCATIONAL RESOURCES

Library Services during COVID-19 Pandemic Crisis:

During this pandemic situation, College Library provides here a list of some best ICT initiatives, Open Educational Resources (India & abroad) with their Access Link to Library users:

Sr. No.	Name of OER	Access Link	What you get here?
1	MSBSHSE Books	https://cart.ebalbharati.in/BalBooks/ebook.aspx	Maharashtra State Board PDF Books from Standard 1 st to 12 th
2	NCERT Books	http://ncert.nic.in/textbook/textbook.htm	National Council of Educational Research & Training
3	National Digital Library	https://ndl.iitkgp.ac.in/	Educational Materials available for all subject areas like Technology, Social Science, Literature, Law, Medical etc., Educational Materials available from Primary to Postgraduate levels.
4	SWAYAM Online Courses	https://storage.googleapis.com/uniquecourses/online.html	SWAYAM Online Courses, Certificate/Diploma Courses(IGNOU), e-books for classes I to XII (CBSE, NCERT & States/UT), Secondary & Sr.Secondary Courses (NIOS, NCERT)
5	National Knowledge Network	https://nkn.gov.in/	The NKN is a platform for delivering effective distance education where teachers and students can interact in real time. The NKN enables collaboration among researchers from different educational networks like GLORIAD, TEIN3, GARUDA, CERN etc. NKN also enables sharing of scientific databases and remote access to advanced research facilities.

6	NPTEL	https://nptel.ac.in/	<p>NPTEL is an acronym for National Program on Technology Enhanced Learning which is an initiative by seven Indian Institutes of Technology (IIT Bombay, Delhi, Guwahati, Kanpur, Kharagpur, Madras and Roorkee) and Indian Institute of Science (IISc) for creating course contents in engineering and science. NPTEL as a project originated from many deliberations between IITs, Indian Institutes of Management (IIMs) and Carnegie Mellon University (CMU) during the years 1999-2003.</p>
7	Spoken Tutorial	https://spoken-tutorial.org/	<p>Here one can learn various Free and Open Source Software all by oneself. Our self-paced, multi-lingual courses ensure that anybody with a computer and a desire for learning can learn from any place, at any time and in a language of their choice.</p> <p>Spoken Tutorial Forums is a friendly online discussion forum. You can join existing discussions or start new topics, and get lots of replies from the Spoken Tutorial community. Registration to Forums is completely free and takes only one minute.</p> <p>Forums are very easy to use, even for computer newbies. It's very easy to format forum posts with fonts, colors, and many other options. You can attach files to your posts directly from your computer. You can give links to webpages or videos from other video websites.</p>

8	e-Yantra	https://www.e-yantra.org/	<p>e-Yantra Robotics Competition (eYRC) is a unique annual competition launched in the month of August every year for undergraduate students in science and engineering colleges, polytechnic.</p> <p>e-Yantra Lab Setup Initiative: Enable colleges to set up robotics labs and provide training to teachers.</p> <p>e-Yantra Ideas Competition: Provides a platform for eLSI college students to implement and showcase their innovative ideas.</p> <p>e-Yantra Symposium: Brings together all eLSI colleges for discussions and seminars on how to turn these labs into Innovation Hubs.</p>
9	FOSSEE	https://fossee.in/	<p>FOSSEE (Free/Libre and Open Source Software for Education) project promotes the use of FLOSS tools in academia and research. The FOSSEE project is part of the National Mission on Education through Information and Communication Technology (ICT), Ministry of Human Resource Development (MHRD), Government of India. Below is the list of projects which are promoted by FOSSEE.</p>
10	Virtual Labs	https://www.vlab.co.in/	<p>Remote-access to Labs in various disciplines of Science and Engineering. These Virtual Labs would cater to students at the undergraduate level, post graduate level as well as to research scholars.</p>
11	Directory of Open Access Books	https://www.doabooks.org/	<p>The primary aim of DOAB is to increase discoverability of Open Access books. Academic publishers are invited to provide metadata of their</p>

			Open Access books to DOAB.
--	--	--	----------------------------

12	Directory of Open Access Journals	https://doaj.org/	DOAJ is a community-curated online directory that indexes and provides access to high quality, open access, peer-reviewed journals. DOAJ is independent. All funding is via donations, 18% of which comes from sponsors and 82% from members and publisher members . All DOAJ services are free of charge including being indexed in DOAJ. All data is freely available.
13	e-PG Pathshala	https://epgp.inflibnet.ac.in/	A Gateway to all Post Graduate Courses.
14	e-Content courseware in UG subjects	http://cec.nic.in/cec/	CEC is one of the Inter University Centres set up by the University Grants Commission of India. It has been established with the goal of addressing the needs of Higher Education through the powerful medium of Television along with appropriate use of emerging Information Communication Technology (ICT).
15	SWAYAMPRA ABHA	https://www.swayamprabha.gov.in	The SWAYAM PRABHA is a group of 34 DTH channels devoted to telecasting of high-quality educational programmes on 24X7 basis using the GSAT-15 satellite. Every day, there will be new content for at least (4) hours which would be repeated 5 more times in a day, allowing the students to choose the time of their convenience.
16	e-Shodh Sindhu	https://ess.inflibnet.ac.in/	The e-ShodhSindhu will continue to provide current as well as archival access to more than 10,000 core and peer-reviewed journals and a number of bibliographic, citation and factual databases in different disciplines from a large number of publishers and

			aggregators to its member institutions including centrally-funded technical institutions, universities and colleges that are covered under 12(B) and 2(f) Sections of the UGC Act.
17	Vidwan	https://vidwan.inflibnet.ac.in/	VIDWAN is the premier database of profiles of scientists / researchers and other faculty members working at leading academic institutions and other R & D organisation involved in teaching and research in India. It provides important information about expert's background, contact address, experience, scholarly publications, skills and accomplishments, researcher identity, etc.
18	Cambridge University Press	https://www.cambridge.org/core/what-we-publish/open-access	At Cambridge University Press, Open Access submissions are accepted in more than 350 of our journals.
19	Science Direct Open Access Content	https://www.sciencedirect.com/book/9781843342038/open-access	Browse 4,291 journals and 30,598 books
20	Springer Open Journals	https://www.springeropen.com/journals	Here we search journals A-Z
21	Taylor & Francis Open Access	https://www.tandfonline.com/openaccess	Open access makes published academic research freely and permanently available so anyone, anywhere can read and build upon this research. At Taylor & Francis we champion researcher choice with a variety of open access publishing options to meet the unique needs of each author.
22	Open Access Thesis &	https://oatd.org/	Advanced research and scholarship. Theses and dissertations, free to find, free to use.

	Dissertations		
23	Project Gutenberg	https://dev.gutenberg.org/	Project Gutenberg is a library of over 60,000 free eBooks. Choose among free epub and Kindle eBooks, download them or read them online. You will find the world's great literature here, with focus on older works for which U.S. copyright has expired. Thousands of volunteers digitized and diligently proofread the eBooks, for you to enjoy.
24	Wiley Open Access	https://authorservices.wiley.com/open-research/open-access/browse-journals.html	Wiley Open Access publishes authoritative peer reviewed open access journals across many research disciplines. Wiley Open Access journals are supported by a network of authoritative journals and societies as well as internationally renowned editorial board members. All research articles published in Wiley Open Access journals are immediately freely available to read, download and share. Wiley Open Access publishes a number of online journals across biological, chemical and health sciences.
25	Shodhganga -a reservoir of Indian theses	https://shodhganga.inflibnet.ac.in/	The Shodhganga@INFLIBNET Centre provides a platform for research students to deposit their Ph.D. theses and make it available to the entire scholarly community in open access. The repository has the ability to capture, index, store, disseminate and preserve ETDs submitted by the researchers.
