Anti-ragging Cell (2023-24)

Mechanism for ragging redress

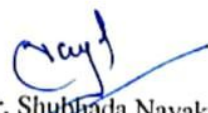

Ragging cases are less among students due to following reasons.

1. Heart fullness meditation & relaxation done by all in college.
 2. Discipline committee supervision throughout the day in college premises
- There are few more committees working at college level namely**
- A) Mentor-mentee committee
 - B) Student's feedback committee.
 - C) Student's council.
 - D) There are various committees constituted for college administration .Chairman of each committee look in to the matter related to students.
